

# Fluster A Duck

Catherine Faber  
Dm

♩ = 160

In get - ting a song or an al - bum to go, It's  
6 tri - cky to get all my ducks in a row. When  
11 parts have to mesh to a sin - gle de - sign, Some  
15 ducks may be lag - gard in join - ing the line. We  
19 all have our shi - bo - leths, this one is mine.  
23 The Muse can be fi - ckle; it's not in the mood, The  
28 flock's feel - ing la - zy and has to be shoed. It's  
32 time to get mo - ving I'll make my own luck; I  
36 rare - ly break eggs, But I'll flus - ter a duck!
